

INCOME DISCLAIMER

We are committed to providing accurate representations of our products, services, and their potential for income. However, please note the following:

- Earnings or income statements made by our company or Independent Representatives are **estimates only** and are not guaranteed. Individual results may vary, and you accept the risk that actual earnings could differ.
- The examples provided are not to be interpreted as guarantees, promises, representations, or assurances of income levels. We do not present our business as a "**get-rich-quick**" scheme.
- Success in this business depends on various factors, including your individual capacity, business experience, expertise, and level of commitment.

Important Considerations:

- Testimonials and examples of earnings highlight exceptional outcomes and may not apply to the average participant. They are not intended to guarantee or assure similar results for everyone.
- Each individual's success depends on factors such as their education background, dedication, motivation, and effort.
- Past earnings are not indicative of future results. There are risks inherent in any business venture, including unforeseen challenges that may impact outcomes.

Your Responsibility:

- It is your responsibility to perform due diligence before using our information, products, or services.
- By engaging with us, you acknowledge that our company is not liable for the success or failure of your business decisions, actions, or results.

For verification of any income claims or further information, you may contact us directly.
